## Ministry to the Ministers

We again this year have the opportunity to serve those who serve our Lord around the world. Each year missionary pilots and those who support and service mission aviation come together at the E.A.A. AirVenture in Oshkosh. The ministry to these missionaries is coordinated by Mission Aviation Support Association (MASA) a local ministry which exists for this purpose.

Our church is involved in several ways. Again this year we will house several students and faculty from the Prairie School of Mission Aviation. Our church will be providing breakfast for over 200 missionaries on Wednesday morning, July 28<sup>th</sup>. I will be acting as one of the chaplains for the event. Then on August 1<sup>st</sup> Dallas Derksen, an instructor at the Prairie School of Mission Aviation will speak at both worship services.

Again, as in any ministry it takes the whole body of Christ to do ministry. Thank you for those who contributed last year for the meals. We had enough money left from last year to buy the supplies needed for the Wednesday breakfast. Thanks to those who are on the team led by Craig Nissen to work late and get up early to serve the breakfast. Thank you for your ongoing support of Valley Baptist Church so we can be a blessing to others.

There will be about 250 missionaries attending AirVenture 2010. Please pray for them that this will be a time of refreshing, fellowship and sharpening of their skills. Use this emphasis to pray for those who are scattered around the world flying in supplies, providing transportation for personnel and helping with emergency situations.

This is always a wonderful opportunity to minister to those who are ministering around the world on our behalf. Let our prayer be the wind beneath their wings.
