Builders for Christ Website

The BFC website is <https://buildersforchrist.net>

BFC has created a web page for this project. You can find it at the BFC web site.

Publicity

We will be contacting the local television and newspaper outlets sharing the story of Valley Baptist and Builders for Christ. We anticipate receiving media coverage during the summer. We will begin the buzz in the community before you arrive.

For questions regarding publicity or the web pages, please contact the publicity leader on the contact list provided in the Coordination Meeting Section.

Weekly Updates

During the summer months, we will post weekly updates of our progress and upcoming work on the ValleyConnex website.

Progress Photos

We will post progress photos, including time lapse, to either of these web pages or a public Google drive. Details will be confirmed as we get closer to the start day.
