Valley Baptist Church 2020**

What is the Fox Valley?

The Fox River runs through many of the local cities and townships. The area from Neenah through Kaukauna is known as the Fox Valley. The river flows into Green Bay about 20 miles north. Including Green Bay, there are 24 pulp and paper mills along the Lower Fox River that produce more than five million tons of paper per year and employ around 50,000 people. The towns along this stretch are referred to as the Fox Cities.

How do you pronounce Kaukauna?

Ka-ka-na. It is a small town in the Fox Cities. You'll pass it if you go to Green Bay.

What are the Cove and the Wright House?

The Cove is the beige house at the south west parking lot. We use it for classroom and meeting space. The Wright house farther south on the same property. We use it for classroom and meeting space.

Why did you start construction in the Fall of 2019?

We want to be sure we are ready when the first BFC team arrives in May. The endings of Wisconsin winters are hard to predict and often very wet. We had to be sure there was enough time to complete the basement.

What is a cheese curd and where can I get some?

Curds are a by-product of cheese making. Any clumps that don't make it into the cheese mold are "cheese curds." They are a snack unto themselves. Fresh curds squeak on your teeth when you eat them. Simon's Cheese is a good source of curds and all kinds of Wisconsin cheeses. 2735 Freedom Drive, Appleton, WI 54913. 6 miles north on I-41. Exit on Hwy N and take a left. You'll see it after you cross the bridge.

How do you dress for church services?

This area trends toward casual for almost everything. On a Sunday morning at Valley men may see a small handful of ties, business casual, jeans, and in the summer, even short pants. Women wear pants, skirts, and dresses.
