

Kitchen

The kitchen is surrounded by countertop and cabinets. We plan to temporarily convert the class room across the west hall into a pantry. We will add refrigerators and freezers there.

Stoves – there are two four-burner residential stoves with an oven. There are also 1 stove each in the Cove and the Wright house. The Cove is just across the south parking lot. The Wright house may be too far.

Ovens – in addition to the 2 two stove ovens, there are two convection ovens.

Sinks – there are two double sinks in the island located in the middle of the kitchen. There is a another double sink just outside of the kitchen in the Welcome Center

Garbage disposal – there are two garbage disposals

Sanitizer – there is a commercial sanitizer in the kitchen.

Ice maker – there is commercial ice maker. This will not be sufficient for the teams. We will rent a commercial ice freezer and stock it with ice for purchase by the teams.

Refrigerators – There are two refrigerators in the kitchen. We plan to borrow 3 refrigerators and place them near the kitchen. There are two refrigerators in the Cove and one in the Wright house.

Freezers – There is one freezer in the room adjacent to the kitchen. Three additional freezers will be borrowed and placed across the hall. There is also a freezer in the Cove.

Kitchen

Bottled Water

Valley Baptist will purchase pallets of bottled water. Packages of 24 can be purchased. The price will be marked on the pallet.

Ice

A commercial ice cooler with 10 and 20 lb. bags of ice will be located on site. Bags can be purchased. The price will be marked on the cooler.

Nightly Kitchen Clean-up

BFC cooks will provide clean-up after breakfast and lunch. The Valley team asks that you try to keep up with cleaning and washing as time permits in your evening meal preparation. After your meal, you will throw waste in the garbage, put up any leftovers, and return food items to the cabinets or refrigerator. Put water in any pots that might need to soak. A team from Valley will come to complete the evening clean-up.
