Subject: Budget Confirmation Letter for the Builders for Christ at Valley Baptist Church 2020

Dear Dr. Hansen,

I have attached a Budget confirmation letter for the Builders for Christ at Valley Baptist Church 2020. Rentals may occur at Appleton, Green Bay or Milwaukee, WI or Chicago, IL locations as desired by the participants. An advance reservation is recommended.

Our letters include a Budget link, which may be cut and pasted to the event website. When attendees use the link, all available vehicles and their rates will display, so the attendee can make their selection easily. If desired, the Budget link can also be pasted in an email blast or on social media

In printed materials, please refer to the Budget.com website. The attendee would need to enter the assigned BCD number in the offer code (BCD) box.

When you paste the link below in your browser it will take you to an Avis Budget Group website where you can download an Budget logo for publication use. You will need to scroll down to find the one you like.

The assigned BCD number and web page link are fully functional. Please let me know if you have any questions. My office hours are 8 AM – 4:30 PM Central time and I look forward to working with you!

Kind Regards,

Penny Wilkinson
