

As you are doubtless now aware, there is a [statewide emergency order](#) in place. The order is as follows:

FACE COVERING REQUIRED. Every individual, age five and older, in Wisconsin shall wear a face covering if both of the following apply:

- a. The individual is indoors or in an enclosed space, other than at a private residence; and;
- b. Another person or persons who are not members of individual's household or living unit are present in the same room or enclosed space.

Face coverings are strongly recommended in all other settings, including outdoors when it is not possible to maintain physical distancing

How that will affect Valley Baptist Church:

Notices will be placed on the doors at church with the order.

Everyone should note that there are exemptions for some people such as:

Individuals who have trouble breathing.

Individuals with medical conditions, intellectual or developmental disabilities, mental health conditions, or other sensory sensitivities that prevent the individual from wearing a face covering.

Therefore, when making your plans on attending a worship service or church function in person, you need to understand that everyone may not be wearing a mask.

No one will be turned away or confronted for not wearing a mask. (This statement is not to be taken in any way to indicate that permission is given to anyone to disregard the order.)
