## Youth Service

The Youth band has been working hard and it has not gone unnoticed. There may be a future Sunday morning worship song led by them in the services. This is still getting worked out but it is very exciting!

Operation Christmas Child (OCC) is collecting small toys for boys the month of March. You can bring super balls, small fishing kits, matchbox cars, and other things for this project and drop them off at the collection point in the youth room. This is a simple way to help a child have a great Christmas!

We will have an opportunity in the future to go door to door in the church's neighborhood inviting people to church. Keep an eye out for this opportunity as we warm up and get closer to Easter.

# CARS 101 With Jay.

Cars 101 is a great time to learn some skills, get your hands dirty, and try some things you may not have ever tried before.

Jay Abits is our professional lead on this adventure. He opens up the shop facilities of Freedom High School for us to learn and enjoy.

Who? – **All youth**, and parents welcomed as well. Jay will provide two sessions, one guys and one girls, with the group not there spending time together at church.

When? – March 16th from 12-4

Where? – Start and end at VBC, transport provided to Freedom High School and back.

What? – Wear clothes that can get dirty, lunch if not eaten already, and a willingness to try new things.

**Sign up on the board if interested.** . . you wont want to miss it!
