Nursery News

Our nursery is growing!

While much of nursery ministry happens quietly, God is at work in meaningful ways. We are grateful for a growing group of regular children and volunteers who have faithfully served in worship services every Sunday throughout the year. Their consistency creates a safe, calm environment where babies and toddlers are known, loved, and cared for week after week.

- If you sense God may be inviting you to serve in this ministry whether occasionally or regularly, we would love to talk to you.

Where are we in the Valley Kids Renovation??

We are currently in
an important
season of listening
and planning

Before making decision about colors, furniture, or flooring, we are prayerfully shaping a vision so that every space supports children as they learn about God and grow in their faith.

We are asking God to guide our hearts and direction. We invite you to pray with us for wisdom, clarity, and unity as we take the next steps together.
