

Online Contributions at VBC

Thank you for your support of Valley Baptist Church. Your financial gifts, acts of service, and in-kind contributions are critical to our ministry in Preparing People to Meet Jesus

VBC will be changing to a new platform for processing online contributions. The change will help us better steward our resources by reducing transaction fees and improving efficiency in preparing the annual donor statements.

Starting on Monday, May 11, the “E-Give” button on the VBC website will change to say “Give”. When you click on this button you will be redirected to the new online contribution platform (Churchteams) rather than the old platform (Ministry Brands). Then, you will need to provide some information to execute a contribution much like you have in the past, or similar to how you might make an online retail purchase.

Even with this change, there will continue to be some fees that vary by funding source. Use the chart below **in considering the best option for you**. There is an **option** for the donor to increase the contribution to help cover the fees if they choose to do so. Venmo and PayPal are not available in the new platform but are expected to be added at some point in 2027.

Source	%	\$
ACH	0.25%	0.39
Debit and Credit Cards (estimates)	2.20%	0.25
Note: Debit cards generally have lower fees than credit cards		

If you have any questions or encounter a problem, please contact Judy Abad at vbcteller@outlook.com.

We apologize for the inconvenience that you are bearing with this change. Thanks again for your support of Valley Baptist Church!
